NOTE—Contn. Sheet.

Subsection (2) of section 40, the power to appoint a special staff etc can be exercised only on the Panchayats' neglect or failure to recover and not merely on the will and pleasure of the Deputy Commissioner. I would put this rule as follows:—

"(1) Whenever a Panchayat neglects to recover or cannot recover the taxes or other dues under subsec (1) of sec 40 and the Amildar considers it necessary to have a special staff to assist him in the collection of such taxes and dues under subsec (2) of sec 40, he shall make a report to the Deputy Com^r through the Sub D^n offices

(2) The Deputy Com^r shall on a perusal of such report if he considers the appointment of a special staff for one or more Panchayats necessary, give notice to the Panchayats concerned, such notice to contain the details of the proposed staff, the period for which it is to be employed the approximate cost and the quota thereof likely to be charged to each of the Panchayats."

Copy of letter No.57 TADA I dated 3rd August 1935 from the Comptroller in Mysore, Bangalore, to the Revenue Commissioner in Mysore, Bangalore.

========

I have the honor to state that there is at present considerable confusion in the audit of pay bills of the staff employed for recovery of arrears of revenue and for execution of works pertaining to Village Panchayats as different procedure is prescribed for drawing pay of the staff employed for recovery of revenue arrears and for the execution of works of the Panchayats. As per Government Order No.L.415-24/V.P.41-32-3 dated 5th July 1933, the Revenue Commissioner is empowered to appoint the necessary special staff to recover the Village Panchayat arrears. Provision for this establishment has to be made under 1 Land Revenue while the quota recovered from the Panchayats on account of the establishment ~~has to be made under~~ is creditable to XIII Mis.

Again G.O.No.L.3574-86/V.P.38-33-2 dated 20th November 1933 empowers the Chief Engineer to appoint Sub Overseers as Panchayat Inspectors and directs the cost of the establishment to be charged to works in the respective panchayats. In pursuance of the above Government Order, Savings Bank Accounts called the "V.P.Establishment Fund" accounts have been opened in each taluk in the name of the Amildars who are authorised to deposit and operate upon the funds. But several instances have been noticed where their pay has been drawn from the treasuries by debit to 1 Land Revenue 2 (ii) Village ~~Panchayat~~ Establishment and this has been particularly observed in the case of transfers.

The existence of two separate modes of drawing pay in respect of establishments placed at the disposal of Village Panchayats, ~~once~~ one for recovery of arrears of revenue and the other for execution of works is causing confusion and it has not been also possible for this office to verify if the debits are covered by corresponding credits.

To avoid all this, I would suggest that all credits towards this establishment be made to a fund head to be newly opened under V Local and other funds and all expenditure charged to this head, the pay bills being cashed in the treasury just as in the case of other pay bills, the appointments being made only after the necessary funds have been credited

to

to the fund head referred to above. Each taluk will maintain a detailed account of the receipts, expenditure and balance under this fund and send a monthly statement of the fund account to the Deputy Commissioner and to this office. The accounts of the fund will be maintained by taluks in the Deputy Commissioner's Office, a similar account being maintained by Districts in this office.

A copy of the monthly debits and credits appearing in the accounts of this office will be sent to the Deputy Commissioner for verification. I request you to kindly intimate whether the suggested procedure would be suitable.

are keeping body & soul together by selling their jewels and all they had. They find it still more difficult to save the live stock as the grass has become very dear which they get from 30 to 40 miles paying Rs 8 to 9 per cart load of hay. While this is so, the order no. 8543/V.P. 4-34-6 Dt 11/18.6.35 has been issued. It is not possible for them to pay even the present Dist. P. taxes. They plead their inability to pay the taxes in cash and add that they would work at the same by doing village improvement works such as roads, drains etc. otherwise they say it would be impossible for them to live.

They have discussed the matter in the meeting of the V.P dated 11/18th June 1935 — in the meeting of the V.P Copy of Resolution attached.

If a road inspector is appointed according to the rules, the cost of the inspector + his T.A. + contingencies would be Rs 750/- per year. This amount will be distributed among the 5 V.P.s. The amount that would be left

over after meeting the above expenditure would be very little and no improvement work could be carried out in the village. Formerly there was a V. P. Inspector who may be able to do much. This appointment would have to be the same. No work would be carried out but only the amount would be spent. If on the other hand the work of collection is got done thro the R.Ds who go about for Rent collection work, this expenditure would be saved to the V.P.S. If on the other hand there are G.P.S who have not been turning out any work for 5 or 6 years, such Panchayats may be abolished or they may be added unto the V.P.S which are active. The G.P.S maybe kindly saved the unnecessary expenses by appointing a separate paid agency, as contemplated in the note.

Resolution -

Many small G.P.S will be hit hard if the rules referred to in the note are given effect to. The entire amount would be spent on establishment the amount available for V.P. works. Hence it is desirable that the present system should continue. There is no necessity to have a separate post for collecting small arrears in each village the rules in question may not be made applicable to small

29 OCT. 1932

Sir,

I have the honour to state that there is at present considerable confusion in the audit of Pay Bills of the staff employed for recovery of arrears of revenue and for execution of works pertaining to Village Panchayats as different procedures are prescribed for drawing pay of the staff employed for recovery of revenue arrears and of those engaged in the execution of works of the Panchayats. As per Government Order No.L.415-24/V.P.41-32-3 dated 5th July 1933, the Revenue Commissioner is empowered to appoint the necessary special staff to recover the Village Panchayat arrears. Provision for this establishment has to be made under 1 Land Revenue while the quota recovered from the Panchayats on account of the establishment is creditable to XIII Miscellaneous.

2. Again Government Order No.L.3574-88/V.P.38-33-2 dated 20th November 1933 empowers the Chief Engineer to appoint Sub Overseers as Panchayat Inspectors and directs the cost of the establishment to be charged to works in the respective panchayats. In pursuance of the above Government Order Savings Bank Accounts called the "Village Panchyat Establishment Fund" Accounts have been opened in each taluk in the name of the Amildars who are authorised to deposit and operate upon the Funds. But several instances have been noticed where their pay has been drawn from the treasuries by debit to 1 Land Revenue 2 (ii) Village Establishment and this has been particularly observed in the case of transfers.

3. The existence of two separate modes for drawing pay in respect of establishments placed at the disposal of Village Panchayats, one for the recovery of arrears of revenue, and the other for execution of works,

is

occasioning to

~~occasioning~~ is ~~occasioning~~ confusion and as a consequence it has not been found possible for this office to verify if the debits are covered by - corresponding credits.

4. To avoid these difficulties I suggest that all credits to meet the cost of this establishment be made to a Fund Head to be newly opened under "V-Local and other Funds" and all the expenditure charged only to this fund head, the pay bills being cashed in the treasury just like other pay bills the appointments being made only after the necessary funds have been credited to the fund head referred to above. Each Taluk office will have to maintain a detailed account of the receipts, expenditure and balance under this fund head and will have also to forward monthly statement of the fund account both to the Deputy Commissioner and to this office. The accounts of this fund may be maintained by taluks in the Deputy Commissioners' Offices, a similar account being maintained by districts by this office. A copy of the monthly debits and credits appearing in the accounts of this office will be sent to each Deputy Commissioner for examination and verification.

5. The Revenue Commissioner who was consulted in the matter is agreeable to the procedure suggested and if the proposals are approved, necessary subsidiary instructions will be issued.

6. Early orders of Government are solicited in the matter.
